Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Schedule A of your report discloses a transfer to your committee from an authorized committee of the same candidate. Please be advised that when a committee transfers funds from an authorized committee of the same candidate it may be necessary to include information about the original contributions on Schedule A as memo entries. Please amend the report to disclose the original contributions as memo entries or clarify that the transfer does not require memo itemization. (52 U.S.C. § 30104(b)(3)(C) (formerly 2 U.S.C. §434(b)(3)(C)) and 11 CFR § 104.3(a)(4)(iii))

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
